

Portsmouth Marriott's new "SeaLevel Bar & Lounge"

complimentary sailing regatta

7th and 8th May 2009

In partnership with Sunsail Events
and Marriott Portsmouth

complimentary sailing regatta

7th & 8th May 2009

The opportunity to experience first-hand how Mission utilises their ocean racing skippers onboard Sunsail's exceptional fleet of yachts to deliver high impact programmes.

Who should attend?

- Leaders or managers with budgetary responsibility for training and development
- Learning and development decision-makers

Day One: 7th May 2009

- **Mission Performance** - Marriott Portsmouth, Southampton Road, PO6 4SH.

1500 - 1730 **Delivering real value in a tough economic climate through learning and development**

Mission will demonstrate how limited budgets need not result in limited business impact.

Three interactive sessions to highlight Mission's approach:

1. Talent Management

Using case study examples Mission will share its approaches to defining the business case for training and Talent programme design by focussing on identifying, developing and retaining the key individuals in your organisation and preparing them for your pivotal roles.

2. Mission Critical Teams

How to reduce human error, ensure clarity of communication and create effective high performing teams utilising generic skills and behaviours adopted from the flight deck and applied to your work place. A fascinating case study delivered by Mission's ex-pilots and aviation experts.

3. Winning Hearts and Minds – Corporate Social Responsibility (CSR)

Mission's innovative community engagement programmes deliver real returns on investment. They will change your perspective on how to select, build and deliver compelling experiential learning projects in the global community; incorporating training, marketing and CSR objectives through one programme.

1730 - 1800 Venue show round - view the newly refurbished hotel, leisure and training facilities

1800 - 1900 Health spa and gym facilities available

1900 - 2030 Drinks reception and dinner

2030 - 2130

Mission Speaker – Kenton Cool 'Managing expectations on the top of the world'

Managing expectations appropriately is key to underpinning leadership and management effectiveness. Kenton is one of the world's most successful mountaineers. He managed Ran Fiennes' expectations when he led him up the North Face of the Eiger and has an enviable record of successful Everest summit attempts.

Kenton will share these and other stories in an engaging evening speech to round off day 1.

Overnight at the Marriott Portsmouth

Day Two: 8th May 2009

- **Sailing Regatta** - Sunsail Port Solent, Portsmouth, Hampshire PO6 4TH.
